

QUALITY POLICY STATEMENT

O J Neil Contracting Ltd is committed to continually improving performance through the setting of objectives and to providing products and services of appropriate quality to meet the needs and expectations of its customers and regulatory requirements.

The company is experienced in providing agricultural contracting services, the construction and maintenance of equestrian training facilities and plant hire.

The Management Team recognises quality as a key corporate responsibility and are committed to ensuring that at all levels within the organisation, it's operations and activities are managed to provide its customers with the best possible service.

To achieve this, the company operates a documented Integrated Management System whilst it works towards the requirements and accreditation of BS EN ISO 9001: 2015 by a UKAS registered authority. It is the responsibility of the Operations Manager to oversee all matters regarding Quality Management.

The company will communicate, train and motivate all personnel whose work will assure the delivery of products and services. Procedures are in place to meet its obligations to its customers.

This policy commitment will be subject to periodic review for continuing suitability.
